Fence permit issued per compliance with Section 15.02 of the Municipal Code of the City of Algoma:

1. Permit Required. No person shall erect or construct any fence on any premises in the City, without first obtaining a permit from the Building Inspector.
2. RESTRICTIONS ON FENCES. The provisions herein contained in sub. (1) shall be subject to the following restrictions and conditions:
 - a) No fence shall exceed 7 feet in height.
 - b) That portion of the fence located from the building setback line to the street line shall not exceed 4 ½ feet in height.
 - c) The finished side of the fence shall face the abutting property.
 - d) No barbed wire or electrically charged fence shall be permitted.
 - e) On corner lots where the front or side yard is required, no fence hedge, building or other construction more than 3 feet in height from the established grade of the street shall be placed so as to interfere with clear vision from one street to the other across the corner.
